About Us

**"It takes years and decades to
build an overnight success"**

Tent Studio is a unit of KAJLA SANTA POLY PRIVATE LIMITED, in Patna, Bihar, dealing mainly in Furnishings. From our humble beginnings, today we have grown to be a leading name in Bihar, Jharkhand and international regions like Nepal and Bhutan in the wedding industry.

Tent Studio started its operation with the focus of Tent and slowly grew into Community Halls, Party Lawns, Resorts and Banquets as well. The Brand "Tent Studio" was built in 2017, with the vision to become a market leader in the growing wedding industry in India. Backed by our mantra of "Affordability- Availability- Creativity", we believe in giving the highest level of experience to our customers through our services, and for which we always strive for excellence.

Today Tent Studio is a leading brand dealing in Electronics, Electrics, Bedding, Catering, Furniture, Artificial Flowers, Decorative Products, Fabrics etc. In this sector, which is mostly unorganized, we work in an organized manner with over 1500 products most of which are ready stock.
